

IT'S NOT HER, IT'S ME.

Timber Cove, Sonoma

What a treat **Timber Cove** was! A couple weeks ago, we had a wonderful getaway up in Sonoma Coast (Jenner By The Sea to be specific) with a few other Bay Area influencers. Despite the dreadful weekend traffic, the drive up the coast was so beautiful that **Jeremy** had a hard time keeping his eyes on the road! We checked into our room upon arrival and I literally gasped the moment I stepped into our ocean view suite. Rustic yet modern aesthetic, mid-century decor, vaulted ceiling with skylight, fireplace, record player and a spacious balcony with an endless ocean view gazing into the sunset. It was everything I could ever dream of!

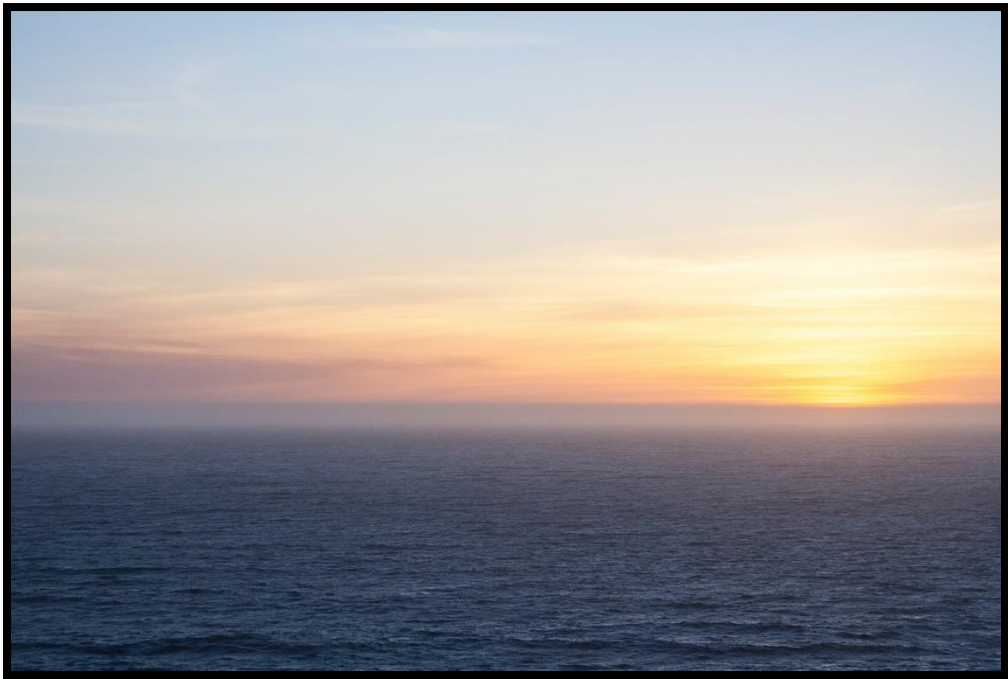

It was a weekend full of exploring, fine dining, wine tasting, gallery viewing, and making new friends and memories. The highlight of my weekend though had to be sleeping underneath the stars. Having lived in urban cities all my life, I rarely (almost never) get to experience the sky being so black that you can see every little stars. We slept with the curtains open with the moonlight reflecting on the dark ocean water while the stars sparkled in the sky... it was purely magical.

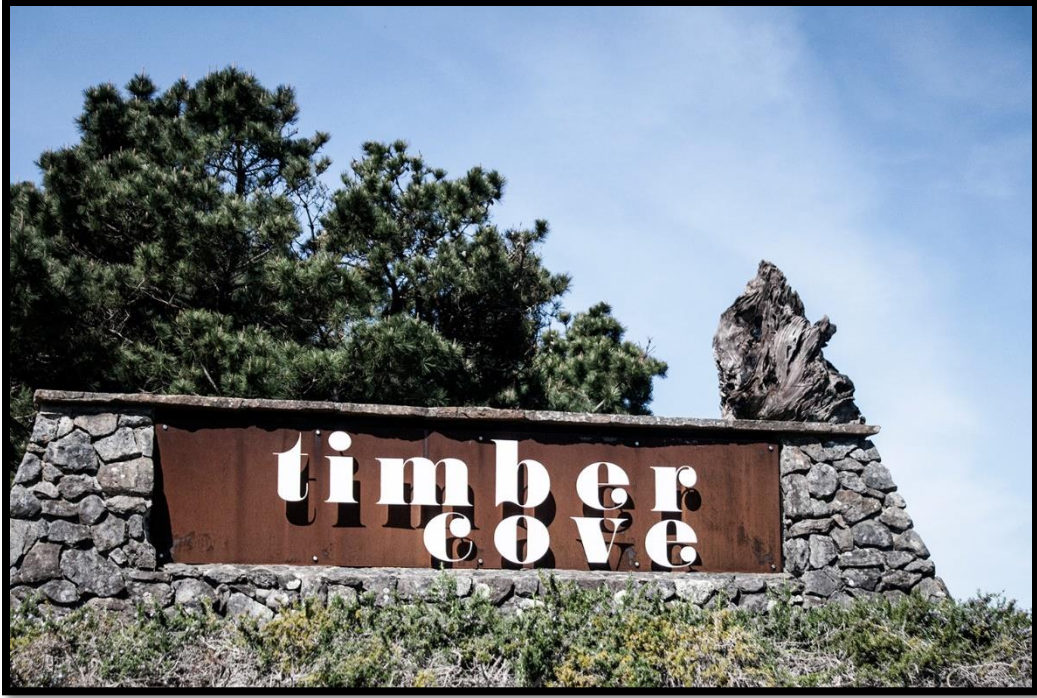

If you are looking for an amazing coastal getaway, I highly recommend **Timber Cove**! For a limited time, **Timber Cove** is offering a midweek Spring special. My readers will enjoy 30% off ocean view suites and 15% off ocean cove view and ocean view rooms and two garden mule cocktails upon arrival. Book by 4/15 for stays through 5/31. Use promo code GARDENFAM15 for rooms or GARDENFAM30 for suites!
